

DEFOAMER C

Multi-Purpose Foam Control Concentrate

Eliminates foam and prevents foam build-up in recovery tanks of all types of carpet equipment. Can also be used to reduce foam in sewage systems, water fountains, and whirlpools. Phosphate free, biodegradable, non-corrosive, and compatible with sound environmental practices.

PRODUCT INFORMATION:

- Instantly knocks down and prevents foam
- Use in carpet extraction and automatic scrubber tanks
- Reduces equipment failure and increases productivity

pH 7.0 - 9.0
Form Liquid
Fragrance Odorless
Color White
Packaged 4/1 gl Case, 5 gl Pail, 55 gl Drum

DIRECTIONS FOR USE:

Shake well before using.

STEAM OR HOT WATER EXTRACTORS: Use 1-2 oz of product for every 10 gallons of recovery tank capacity. Inject product into, or draw through, recovery hose to prevent foam generation in recovery tank. Use additional product as needed to reduce foam. Product may also be misted over foam accumulation in the tank.

AUTOMATIC SCRUBBERS: Use 1-2 oz of product for every 10 gallon tank capacity. Use additional product as needed to reduce foam. Product may be misted over excessive foam build-up during operation.

IMPORTANT SAFETY INFORMATION:

WARNING

May cause an allergic skin reaction.

Avoid breathing vapors. Wear protective gloves, protective clothing, eye protection and face protection.

FIRST AID: IF ON SKIN: Wash with plenty of soap and water. If skin irritation or rash occurs: Get medical attention. Take off contaminated clothing and wash before reuse.

Dispose of contents and container in accordance with local, regional, national and international regulations.
