## HOTEL ROOM WALK THRU

### Windows & Mirrors ◆◆

To remove dust, dirt, fingerprints and smoke, use liquid SHINE-O-GLASS, KLEER-VIEW, or aerosol GLASS & HARD SURFACE.

### Furniture ◆◆

To clean and dust all wood and formica surfaces, use aerosol LEMON BRIGHT. To remove greasy or oily residue, use T-5 or KITCHEN POWER. To clean metal surfaces, use liquid or aerosol STAINLESS STEEL CLEANER. Polish wood with LEMON OIL FURNITURE POLISH.

### Carpet & Upholstery ◆◆◆

To clean carpet or upholstery, use liquid X-TRACTO. For spot cleaning, use DISAPPEAR. For pet odors and accidents, use ENZY-OUT.

Use REST EZZZZZZZZZZZ for bedbugs.

### Floor Cleaners ◆◆

For one-pass cleaner, disinfectant and deodorant, use NUTRA-MAX, LEMON APD, or MINT APD.

For a urine eradicator, use ENZY-OUT.

### Hand Sink ◆◆

To remove tough soap scum from porcelain and chrome fixtures, use PEROXY SOFT. If disinfecting is required, use GERMICIDAL SPRAY CLEANER or LEMON/MINT APD.

### Walls, Screens, Shower Curtains ◆◆

To disinfect and clean all washable, hard, non-porous surfaces, use liquid TB PLUS, NUTRA-MAX®, or aerosol GERMICIDAL SPRAY CLEANER

### Toilets ◆◆◆◆

This area needs to be cleaned on a daily basis. For hard water, and where rust and calcium are a problem, use BOWL-SAN cleaner, disinfectant, and deodorizer. For general cleaning and deodorizing of all surfaces, use IN-CIDE. For heavy-duty disinfectant and cleaning, use EMULSO or TB PLUS.

For a urine eradicator, use ENZY-OUT.

### Tub, Shower, Tile & Grout ◆

Use P.M.C. as an acid-based grout cleaner and soap scum remover. For a neutral, non-acid alternative, use PEROXY SOFT.

### Drains ◆

**WARNING:** *Extreme CAUTION must be used in handling all drain openers.*

For a powerful, less volatile, fast-acting chemical dissolving opener, use FUMELESS or CRYSTAL DRAIN. Both are effective on hair and grease. For Professional Use, try BUSTER (93% Sulfuric Acid).
