# HAND & BODY

Keeping hands clean is one of the most important steps we can take to avoid getting sick and spreading germs to others. It is best to wash your hands with soap and clean running water for 20 seconds. However, if soap and clean water are not available, use a foaming hand sanitizer, hand rubs significantly reduce the number of germs on skin and are fast acting.

Whether you prefer liquid or foaming products, Theochem has the right products to meet your needs and budget.

Preventing the outbreak of disease is everyone's business; by aggressively promoting proper hand hygiene, we look to partner with your facility to provide maximum safety and control of spreading harmful bacteria and viruses.

Trust hand and body hygiene at your facility with the choice of professionals, Theochem Hand & Body Products.

# Hand & Body Wash

## COCONUT FOAMING HAND SOAP

Mild, luxurious formulation. Contains selected emollients for soft, smooth skin with tropical coconut scent. Formulated for use in bulk foaming dispensers.

Product: 103566  
Form: Viscous liquid  
Fragrance: Coconut  
Color: Colorless  
pH 6.0 - 7.0  
Packaging: 4/1 gl Case

In the world of skin care, dirt, oil and sweat are the enemies. When we have too much grime on our bodies, we tend to feel unclean and anxious. Washing it off is far more soothing, giving us a feeling of health and relaxation.

## TEA TREE HAND & BODY WASH

FDA registered premium hand & body wash containing soothing white tea extract and aloe. Unique foaming formula contains a quick-acting antibacterial agent. Effectively cleans away dirt, grease and ink, yet mild on the skin.

103560  
Form: Viscous liquid  
Fragrance: Tea Tree  
Color: Green  
pH 6.0 - 8.0  
Packaging: 3/1250 ml Case, 2/1 gl Case

## FOAMING HAND SANITIZER

FDA-registered non-alcohol based foaming hand sanitizer containing aloe. Kills MRSA, E. Coli and 99% of bacteria. NSF E3 approved for food handlers.

Product: 103595  
Form: Viscous liquid  
Fragrance: Odorless  
Color: Colorless  
pH 5.0 - 7.0  
Packaging: 3/1250 ml Case, 2/1 gl Case

## WHITE COCONUT

Heavy duty viscous hand cleaner, for use in any washroom. Contains selected skin soothing emollients and Triclosan. Great for even the most sensitive skin.

Product: 103580  
Form: Viscous liquid  
Fragrance: Coconut  
Color: White  
pH 8.0 - 9.0  
Packaging: 2/1 gl Case

## PINK LATHER

A fine delicately fragranced lotion hand soap blended with cold cream ingredients for soft refreshingly cleaner skin. Lotions formula conditions and moisturizes hands. Ideal for service industry professionals. Biodegradable.

101305  
Form: Viscous liquid  
Fragrance: Fruit-like  
Color: Pink  
pH 6.0 - 8.0  
2/1 gl Case

## WHITE GLOVE

Fine, delicately scented, lotion hand soap, blended with selected ingredients for soft skin. Ideal for use in most institutional soap dispensers. Soothes and conditions the skin as it cleans.

Product: 101478  
Form: Viscous liquid  
Fragrance: Pleasant  
Color: White  
pH 8.0 - 9.0  
Packaging: 4/1 gl Case, 55 gl Drum

## MAGNOLIA BLOSSOM

FDA-registered non-alcohol based foaming hand sanitizer containing aloe. Kills MRSA, E. Coli and 99% of bacteria. NSF E3 approved for food handlers.

Product: 103597  
Form: Viscous liquid  
Fragrance: Magnolia  
Color: Colorless  
pH 5.0 - 7.0  
Packaging: 2/1 gl Case

## SOFT N CLEAN

Unique foaming formula containing special therapeutic ingredients including tea tree extract and aloe. Ideal for hands, hair and body. Wash produces a rich luxurious lather.

103563  
Form: Viscous liquid  
Fragrance: Pleasant  
Color: Colorless  
pH 6.0 - 7.0  
2/1 gl Case

## ACCENT

Lotionized hand soap with excellent lathering characteristics. Can be used in all types of dispensers. Rinses freely. Neutralizes odors and promotes better hygiene.

Product: 101243  
Form: Viscous liquid  
Fragrance: Cherry  
Color: Pink  
pH 8.5 - 9.9  
Packaging: 4/1 gl Case, 55 gl Drum

When washing hands with soap and water:  
Wet your hands with clean running water and apply soap. Use warm water if it is available. Rub hands together to make a lather, and scrub all surfaces. Continue rubbing hands for 20 seconds. Rinse hands well under running water. Dry your hands using a paper towel or air dryer. If possible, use your paper towel to turn off the faucet.
