

## BUSY BEADS

### All-In-One, All Purpose Spray-Dried Cleaner

For professionals who need a versatile detergent formula for medium to heavy duty manual washing applications. Contains no harsh additives, is mild on hands and is difficult to over use. Has wetting agents, water conditioners and foam stabilizers in a moderately built detergent compound for use on pots, pans, dishes, glasses, flatware, kitchen surfaces, floors, walls, and is excellent for laundry. Can also be applied for cleaning walks, driveways, autos, trucks, vans, boats, golf carts, trailers or any water washable surface. Economical. One shot packaged product for use in foodservice, healthcare, hotels, motels, schools, office buildings, industrial, commercial and even residential homes.

- Professional, versatile manual washing detergent
- Used for cleaning floors, walls, dishes, laundry and more
- Fresh and clean citrus fragrance

pH.....<11.5 (1% solution)  
Form .....Powder  
Fragrance .....Odorless  
Color.....Pink  
Packaged .....25 lb Box

#### DIRECTIONS FOR USE:

**DISHES, GLASSES, FLATWARE, POTS AND PANS:** Use 2 cups per 4 gallons of hot water. Add as needed to maintain a good suds level. Wash and rinse with clean water.

**FRY KETTLE CLEANING:** Fill each kettle with water. Add 1/2 cup of product to each pound capacity kettle. Set heat at 250°F, then scrub with a brush when the solution begins to boil. Boil for at least 5 minutes. Empty solution from kettle and wipe. Refill with water and boil for an additional 5 minutes. Empty and rinse thoroughly.

**HEAVY GREASE:** For grease filters and very greasy pans and trays, use 2 cups of product per average sink. Use more for larger sinks or hard water. Place dirty equipment in sink of hot cleaning solution and allow to soak to loosen heavy soils, then scrub clean. **FLOORS, WALLS, AND HARD WASHABLE SURFACES:** Use 1/4 to 1/2 cup of product per each gallon of hot water. For concrete, marble or terrazzo, presoak with water, apply cleaning solution, then scrub with a bristle brush and rinse thoroughly. Use more as needed for greasy kitchen floors. (CAUTION: Over usage of product may show a film on dark tile floors when dry. If so, re-rinse floor and reduce the amount of product).

**DRIVEWAYS AND WALKS:** Wet surface to be cleaned. Sprinkle product liberally and scrub with a stiff bristle broom. Rinse with a hose. **AUTOS, TRUCKS, VANS, TRAILERS, BOATS AND GOLF CARTS:** Use 1/4 to 1/2 cup or less of product per gallon of water. Apply to surface with a clean cloth or sponge, then rinse with a hose. **LAUNDRY:** In medium hard water, use 1-1/4 cups in a regular size top loading automatic. For Larger machines, hard water or with heavily soiled wash loads, add more than 1-1/4 cups of product. Always sanitize according to local regulations.

#### IMPORTANT SAFETY INFORMATION:

##### WARNING

Causes skin irritation. Causes serious eye irritation.

Wear protective gloves, protective clothing, eye protection and face protection. Wash hands thoroughly after handling.

**FIRST AID: IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. **IF ON SKIN:** Wash with plenty of water. If skin irritation occurs: Get medical attention.
