

# OVEN & GRILL CLEANER

**Dissolves Grease Works In Minutes  
Spray On - Rinse Clean**

## PRODUCT INFORMATION:

- Low V.O.C. Formula
- V.O.C. Compliant
- Meets or Exceeds All V.O.C. Regulations
- Contains No 1,1,1 Trichloroethane or any Chlorinated Solvents

pH .....	N/A
Form .....	Liquid
Fragrance .....	Odorless
Color .....	Colorless
Packaged .....	12/1 18 oz Aerosol Case

## DIRECTIONS FOR USE:

### SHAKE WELL BEFORE USING

1. Turn off current in electric ovens and pilot lights in gas ovens.
2. For best results, oven should be warm, but not over 200°F.
3. Cover floor under oven with newspapers.
4. Remove racks and other equipment from oven, and clean these separately.
5. Remove cap and point valve opening toward surface to be cleaned. Hold can upright and spray 8" to 12" from surface.
6. Avoid contact with asphalt tile, linoleum, painted surfaces or aluminum. (Exterior trim is frequently polished aluminum: not chrome or stainless steel.) These areas should be protected. Do not allow spray to penetrate electrical connections.
7. Leave oven door open and let cleaner stay on 15-20 minutes. Wipe clean and then rinse with potable water. Wear rubber or impervious gloves.
8. Replace protective cap when finished cleaning oven.

### STORAGE AND DISPOSAL

Protect from sunlight. Do not expose to temperatures exceeding 122°F. Dispose of container to disposal recycling center. Under RCRA it is the responsibility of the user of the product to determine at the time of disposal whether the product meets RCRA criteria for hazardous waste. Waste management should be in full compliance with federal, state and local laws.

## IMPORTANT SAFETY INFORMATION:

### DANGER

Extremely flammable aerosol. Pressurised container: May burst if heated. Maybe harmful if swallowed. Causes serious eye irritation. Causes skin irritation. Harmful to aquatic life.

Avoid release to the environment. Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Do not spray on an open flame or other ignition source. Do not pierce or burn, even after use. Wash thoroughly after handling. Wear protective gloves, protective clothing, eye protection and face protection.

### FIRST AID:

Call a POISON CENTER if you feel unwell. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. IF ON SKIN: Wash with plenty of water. If skin irritation occurs: Get medical attention. Take off contaminated clothing and wash it before reuse.
