## WHITE GLOVE

### Hand Soap

The choice for refreshing, cleaner skin. A fine delicately scented lotion hand soap blended with selected ingredients for soft, supple skin. Removes the toughest soils. Viscous formula, creates hand-washing lather in seconds. Quick easy rinsing, leaving no residue on the skin. Used regularly, this soap is an aid in the protection from chaffing and irritation of the skin. Excellent for any public facility including schools, daycare centers, office buildings, malls, restaurants and factories. Biodegradable. Wonderful and light almond scent.

### DIRECTIONS FOR USE:

Use with any type dispenser. Will not leak or clog the orifice. Perfect for fountain type or central dispensing system.

**WASH ROOM HAND CLEANER:** Wet hands with water. Dispense soap into hands. Rub hands together to produce lather, paying attention to the palms, backs of hands, between fingers, under fingernails, and wrists. Rinse with water. Dry hands.

### IMPORTANT SAFETY INFORMATION:

Non-hazardous according to OSHA GHS Hazard Communication Standard (29CFR1910.1200).

If medical advice is needed, have product container or label at hand. Keep out of reach of children. Read label before use. Store in cool, dry conditions in well sealed receptacles. Dispose of contents and container in accordance with local, regional, national and international regulations.

**FIRST AID: IF ON SKIN:** Generally the product does not irritate the skin. Rinse with warm water. If skin irritation continues, consult a doctor. **IF IN EYES:** Remove contact lenses if worn. Rinse opened eye for several minutes under running water. Then consult a doctor. **IF INHALED:** Supply fresh air; consult doctor in case of complaints. **IF SWALLOWED:** Do not induce vomiting; call for medical help immediately. Rinse out mouth and then drink plenty of water.
