

POWER CLEANSE

High Performance Laundry Detergent

This product can be used on any machine washable fabric at any temperature: hot, warm, or cold. This product is a mildly alkaline product containing a high concentration of soil emulsifiers, water conditioners, soil suspending agents, and optical brighteners. It will remove most heavy duty institutional soils without the use of additional boosters or break cycles. It can be used alone.

PRODUCT INFORMATION:

- One shot detergent for all colors and water temperatures
- Designed to break down and lift away tough soils and stains
- Compatible with HE and Standard machines

pH9.75 - 10.5

Packaged4/1 Gallon, 5 Gallon Pail, 15 Gallon Drum
.....& 55 Gallon Drum

DIRECTIONS FOR USE:

Use this product in standard or high-efficiency machines.

FOR AUTOMATIC DISPENSING: This detergent is specially formulated to be dispensed by automatic injection dispensers. It is dispensed directly from shipping container.

FOR MANUAL DISPENSING: For regular loads, add 3 to 4 oz to the dispenser or machine, or as directed by machine manufacturer. For heavy soils and large loads in standard machines, use 5 to 6 oz of detergent, or as needed.

IMPORTANT SAFETY INFORMATION:

Non-hazardous according to OSHA GHS Hazard Communication Standard (29CFR1910.1200).
See back panel of this label for precautionary measures and first aid.

If medical advice is needed, have product container or label at hand. Keep out of reach of children. Read label before use. Store in cool, dry conditions in well sealed receptacles. Dispose of contents and container in accordance with local, regional, national and international regulations.

FIRST AID: IF ON SKIN: Generally the product does not irritate the skin. Rinse with warm water. If skin irritation continues, consult a doctor. **IF IN EYES:** Remove contact lenses if worn. Rinse opened eye for several minutes under running water. Then consult a doctor. **IF INHALED:** Supply fresh air; consult doctor in case of complaints. **IF SWALLOWED:** Do not induce vomiting; call for medical help immediately. Rinse out mouth and then drink plenty of water.
