FAST ACTING PROFESSIONAL STRENGTH PRODUCTS

CLEAN SHOT DRAIN OPENERS

Clean Shot Drain Opener

Professional strength highly concentrated virgin sulfuric acid drain opener with a proprietary red dye making it easy to see when applied. This powerful formula instantly dissolves grease, hair, paper, food, sanitary rags and other organic blockages. Designed for use in sinks, bathtubs, showers and toilets. Safe for septic and septic systems when used as directed. For PVC pipe use only. Follow all safety precautions and instructions on peelback label.

- Concentrated virgin sulfuric acid
- Includes red dye
- Quickly dissolves grease, hair, food, and rags
- For use in PVC pipes only

PVC ONLY Toilet Sink Tub/Shower

Clean Shot Instant Drain Opener

Professional strength concentrated liquid alkaline formula with the highest amounts of actives to clear the toughest of clogs in any sink, bathtub, shower or grease traps. This non-acid formula quickly breaks down fats, oils, grease and soap scum build up as well as clears other organic blockages. Safe for all pipes and in septic systems when used as directed. Odorless and fumeless.

- Highly concentrated Non Acid
- Breaks down fats, oils, grease, soap scum
- Odorless and fumeless

METAL/PVC Sink Tub/Shower

Clean Shot Crystal Drain Opener

This product is a special propriety flake blend drain opener containing the highest levels of sodium hydroxide. It works in minutes to dissolve clogs generated from grease, hair, soap, and other organic waste. For use in bathroom sink and shower drains, kitchen sinks, grease traps and septic tanks. Safe for all pipes and in septic systems when used as directed. Odorless.

- 100% lye crystal flake
- Works in minutes on grease, hair and soap scum
- Odorless
- Safe for all pipes

METAL/PVC Any Drain

Clean Shot Hair Clog Drain Opener

This product is a professional strength concentrated heavy duty liquid alkaline formula designed for use in any sink, bathtub or shower. It does not give off foul odors or fumes as it quickly breaks down hair, oil and soap scum build up as well as other organic blockages. For use in all pipes and safe to use in drains connected to septic or cesspool systems when used as directed.

- Concentrated Non Acid formula
- Breaks down hair, oil and soap scum
- For use sinks, tub's and showers
- Orderless and fumeless
