Fragrance Lime Burst
Color..... Green
Packaged 12/1 QT Case

DIRECTIONS FOR USE:

Most conventional glass cleaners are made with solvents, alcohols (toxic, and typically poisonous), ammonia (a respiratory irritant), or ethylene-based glycol ethers (toxic, and not readily biodegradable). Unlike these cleaning products, this product does not have any unpleasant chemical smell or leave a residue.

DIRECTIONS FOR USE:

Spray on to any glass surface. Dry and polish with soft, lint-free cloth.

NOTE: Best results can be obtained using two cloths: one for drying and one for polishing.

IMPORTANT: Always test surface in an inconspicuous area prior to use. **DO NOT USE ON FURNITURE.**

IMPORTANT SAFETY INFORMATION:

Non-hazardous according to OSHA GHS Hazard Communication Standard (29CFR1910.1200).

If medical advice is needed, have product container or label at hand. Keep out of reach of children. Read label before use. Store in cool, dry conditions in well sealed receptacles. Dispose of contents and container in accordance with local, regional, national and international regulations.

FIRST AID:

IF ON SKIN: Generally the product does not irritate the skin. Rinse with warm water. If skin irritation continues, consult a doctor. **IF IN EYES:** Remove contact lenses if worn. Rinse opened eye for several minutes under running water. Then consult a doctor. **IF INHALED:** Supply fresh air; consult doctor in case of complaints. **IF SWALLOWED:** Do not induce vomiting; call for medical help immediately. Rinse out mouth and then drink plenty of water.
