### DIRECTIONS FOR USE:

Always test for colorfastness in inconspicuous area prior to use. Remove excess soil and waste matter. For general cleaning, simply spray on and wipe off. In some instances, waiting 1-2 minutes before wiping off is more effective.

**STAINS AND ODORS ON FABRIC AND UPHOLSTERY:** Spray and allow time for enzymes to work. Blot with a rough towel or rinse with water. For stubborn stains, soak overnight.

**LAUNDRY:** To remove any organic stain, including blood, sweat, grease, wine or urine, pour this product straight out of the bottle onto stain or urine. Let soak overnight, next day put into washer and wash as usual.

**CARPET CLEANING:** For recent stains, chewing gum, grease, tar, etc., and odors, spray with this product, allow time to work, then blot clean with a rough towel. For older stains and odors, vacuum the area, spray and allow time for enzyme to work, then blot with a rough towel. When using a carpet cleaning machine, use warm or hot water and this product.

**PET STAINS AND ODORS:** To remove animal stains and odors from carpets, furniture, either spot clean by spraying with this product and blotting dry with a terry towel, or clean carpets as above.

**TOILET BOWL:** Add 2 oz. to bowl and allow to sit for 30 minutes, brush and flush.

**GARBAGE CANS AND SURROUNDING AREAS:** Spray area and do not wipe off. Let it stay moist.

**KENNELS/STABLES:** To deodorize kennel runs, patios, stables, trailers, remove animals and spray with a pump sprayer.

### IMPORTANT SAFETY INFORMATION:

Non-hazardous according to OSHA GHS Hazard Communication Standard (29CFR1910.1200).

If medical advice is needed, have product container or label at hand. Keep out of reach of children. Read label before use. Store in cool, dry conditions in well sealed receptacles. Dispose of contents and container in accordance with local, regional, national and international regulations.

**FIRST AID: IF ON SKIN:** Generally the product does not irritate the skin. Rinse with warm water. If skin irritation continues, consult a doctor. **IF IN EYES:** Remove contact lenses if worn. Rinse opened eye for several minutes under running water. Then consult a doctor. **IF INHALED:** Supply fresh air; consult doctor in case of complaints. **IF SWALLOWED:** Do not induce vomiting; call for medical help immediately. Rinse out mouth and then drink plenty of water.
