ULTRA BURST™

Low Suds Laundry Detergent

LAUNDRY HINTS Follow manufacturer's instructions regarding the care of all washable fabrics. Some fabrics may change color during laundering due to color variants in fabrics. Be sure to test for colorfastness before laundering or pre-soak.

COLORFASTNESS TEST: Dip hidden corner of fabric in detergent and hot water. Rinse and let dry. Proceed if color is unchanged.

PRE-SOAK: Soak up to 20 minutes using 3/8 cup of detergent (scoop filled to line 1) per gallon of water or 1/2 cup of detergent (scoop filled to line 2) in your washer.

Use warmest water as recommended on garment care label. Then drain water, refill with water and add 1/2 cup of detergent (scoop filled to line 2) and wash as usual.

PRE-TREAT: Use for a few small spots. For best results, pre-treat with detergent as soon as stain occurs. Rinse the stained area, apply a paste of detergent and water, rub gently and wash as usual.

PRODUCT INFORMATION:

- Biodegradable
- Phosphate free
- Hypo-allergenic laundry detergent

pH 10 - 11 (1% solution)
Form Powder
Fragrance Odorless
Color White
Packaged 40 lb Pail

DIRECTIONS FOR USE:

1. SORT LAUNDRY, THEN SELECT WATER TEMPERATURE ACCORDING TO GUIDE BELOW AND START WASHER:

Hot: White cottons, light prints, colorfast pastels, heavy soils

Warm: Light Soils, colorfast fabrics, permanent press, delicates

Cold: Colors that fade or bleed. Rinsing for all fabrics.

2. Measure and add detergent to water

For medium sized loads fill to line 1 on scoop (3/8 cup). For heavily soiled medium loads or large loads fill to line 2 on scoop (1/2 cup). For heavily soiled large loads fill to line 3 on scoop (3/4 cup). Use a little less for lightly soiled or small washloads.

3. ADD LAUNDRY TO WASHER. We recommend cold water rinsing. Follow manufacturer's instructions regarding the care of all washable fabrics.

INGREDIENTS: Contains biodegradable anionic and/or nonionic surfactants.

IMPORTANT SAFETY INFORMATION:

WARNING

Causes serious eye irritation.

Wear protective gloves, protective clothing, eye protection and face protection. Wash hands thoroughly after handling.

FIRST AID: IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention.

SAFE FOR SEPTIC SYSTEMS. CONTAINS NO PHOSPHATES. THIS FINISHED PRODUCT IS NOT TESTED ON ANIMALS.

NOTES: This package contains over 400 uses (as measured to line 1 on scoop). The precise number of uses from each package will vary slightly with the method of scooping and settling during shipment.
