POWER HD

Heavy Duty Powder Laundry Detergent

This powdered laundry detergent is a complete, one-shot heavy duty detergent used for washing in hard water. It is built to eliminate the lime soap film and grey work prevalent in hard water areas, provide excellent soil suspensions, penetrate deep-set soil stains, and rinse easily even in cool water.

PRODUCT INFORMATION:

- Complete industrial and institutional laundry detergent
- Softens hard water, and reduces soap film build-up
- For use with all white and colorfast washable fabrics

pH 11.2 - 11.8 (1% solution)
Form Powder
Fragrance Citrus
Color White
Packaged 45 lb Pail, 100 lb Box

DIRECTIONS FOR USE:

LIGHT SOIL: Add 8 oz. per 100 lbs. of fabric washed. **MEDIUM SOIL:** Add 1 lb. per 100 lbs of fabric washed. **HEAVY SOIL:** Add 2 lbs. per 100 lbs. of fabric washed.

This detergent is a complete product, replacing separate addition of alkalies and detergents, simplifies washing formulas, saves time and labor involved in purchasing, handling, and storage of supplies. It contains special optical brighteners to produce sparkling whites in all classifications whether it is shirts, table linen, bar aprons, towels, bed linen, etc. It is gentle and effective on all color-fast fabrics as well. Its free flowing powders dissolve easily and will not break down even at high temperatures.

This detergent may be used on all white and color fast fabrics, except woolsens. It is designed for all commercial, family institutional, linen supply and shirt laundries. This product is a free flowing powder and may be added dry to the wheel or to the supply compartment of automatic feeding devices. For manual dispensing, add the detergent while the washer is filling, then add laundry items.

IMPORTANT SAFETY INFORMATION:

DANGER

Causes skin irritation. Causes serious eye damage.

Wash hands thoroughly after handling. Wear protective gloves, protective clothing, eye protection and face protection.

FIRST AID: IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. **IF ON SKIN:** Wash with plenty of soap and water. If skin irritation occurs: Get medical attention.

Dispose of contents and container in accordance with local, regional, national and international regulations.
