Restroom ♦

This area needs to be cleaned on a daily basis. For toilets and urinals, where hard water, rust and calcium are a problem, use BOWL-SAN acid cleaner, disinfectant and deodorizer.

For general purpose cleaning and disinfecting, clean all surfaces with non-acid IN-CIDE.

Hand Soap Dispensers ♦

For antibacterial protection use ANTIBACTERIAL AMBER FLORAL HAND SOAP, or WHITE COCONUT HAND SOAP.

For foaming antibacterial protection, use FOAMING HAND SANITIZER, WHITE TEA FOAMING WASH, or TEA TREE FOAMING WASH.

Hand Sink ♦♦

To remove tough soap scum from porcelain and chrome fixtures, use PEROXY SOFT. If disinfecting is required, use GERMICIDAL SPRAY CLEANER.

Refrigerators & Freezers ♦♦♦♦

To clean inside, use FREEZER CLEANER. To clean outside, use SHUR ORANGE or KITCHEN POWER.

To clean and shine stainless steel surfaces, use aerosol or liquid STAINLESS STEEL CLEANER.

Stack Ovens ♦

To remove grease and baked on carbon from inside and out, use MAGIC OVEN. For heaviest baked-on carbon, use GREASE OFF.

Earth-friendly option: EF GRIDDLE CLEAN

Deep Fat Fryers ♦

To boil out deep fat fryers, use DEEP FAT FRYER CLEANER.

Grills ♦

For daily maintenance, clean entire surface with GREASE OFF or MAGIC OVEN.

Splashboard for Grills ♦♦

For daily maintenance, clean entire surface with TITAN or T-5. For tough, greasy soils, use MAGIC OVEN.

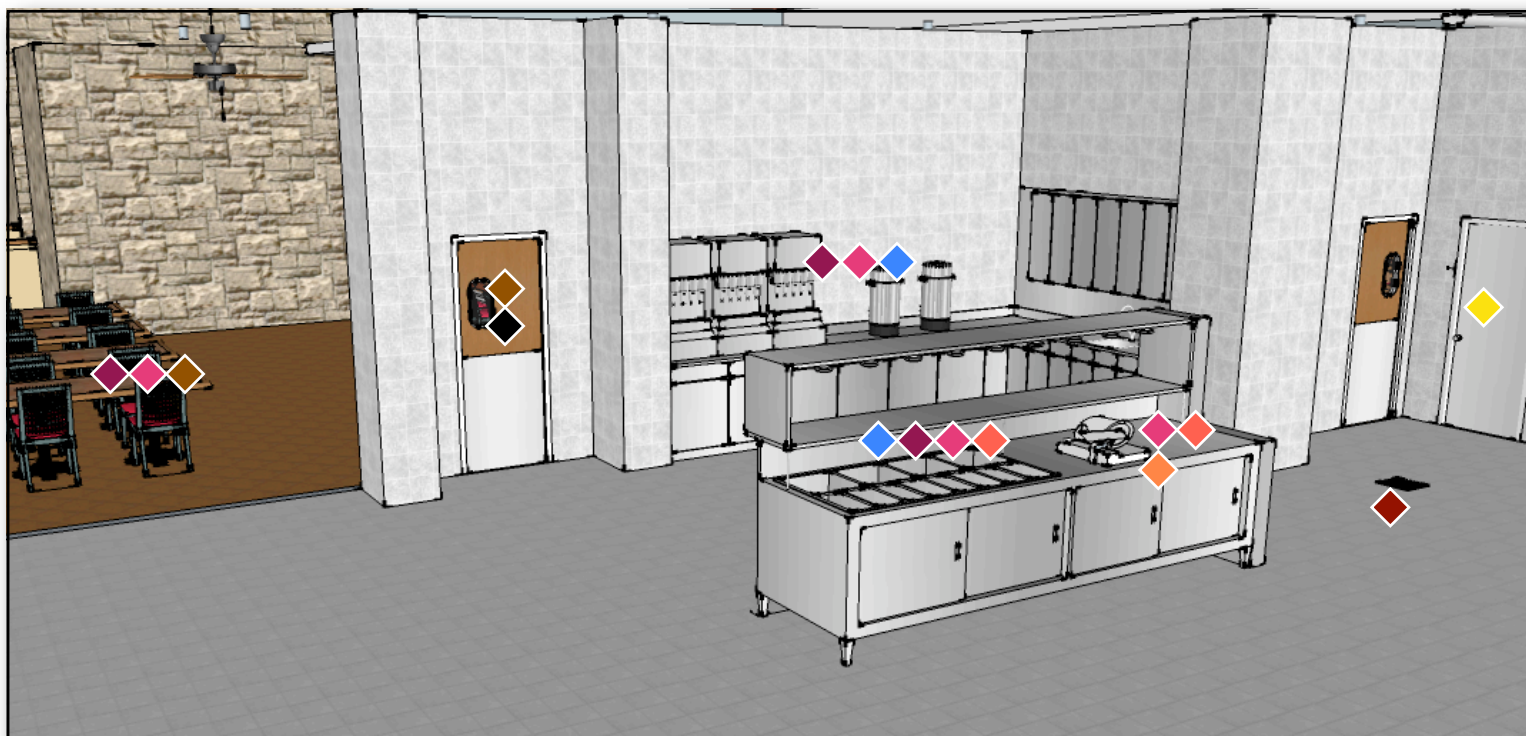

Hoods & Filters ♦♦

For daily maintenance, clean entire surface with TITAN or T-5. For tough, greasy soils, use MAGIC OVEN.

Floor Cleaners ♦♦♦

For complete cleaning of dirt, grease and grime, use TITAN, ACTIVE-ATE, or ANTI-SLIP. For one-pass cleaner, disinfectant and deodorant, use NUTRA-MAX® or LEMON APD or MINT APD. Use KITCHEN POWER as a cleaner/degreaser.
