### Ammoniated Glass & Hard Surface Cleaner

Ready-to-use glass cleaner and polish designed to clean glass surfaces quickly without streaking. Ideal for cleaning and polishing windows, mirrors, windshields, showcases, glass doors, glass tile, or any glass surface. Also perfect for use in automotive maintenance, including for use in automatic windshield washers on cars, trucks, and buses. Easily removes film, scum, smudges, bugs and soil. Fast-acting formula quickly and completely cuts through fingerprints, grease, bugs and grime. Polishes as it dries to produce a brilliant streak-free surface with minimum of wiping and labor. Can be used safely on all glass surfaces, windows, mirrors, etc. Excellent for use on other surfaces, such as refrigerators, chrome, stainless steel, plastic, ceramic tiles, Formica®, etc. DO NOT USE ON WOOD FURNITURE.

### PRODUCT INFORMATION:

- Fortified with grease-cutting technology
- Penetrates film, grime and deposits from glass and mirrors
- Ready-to-Use

pH ..... 10.0 - 12.0
