

DE-SCALE

Acid-Based Scale Remover

PRODUCT INFORMATION:

- Brightens dull metal surfaces by removing oxidation films
- Removes rust, corrosion and scale from iron, steel, copper, bronze and brass
- Use on steam cleaner coils, heat exchangers, and in dish machines

pH < 2.0
Form Liquid
Fragrance Acidic
Color Red
Packaged 4/1 gl Case, 5 gl Pail, 55 gl Drum

DIRECTIONS FOR USE:

Dilute with water in a bucket or spray bottle. Spread or spray diluted product onto the surface to be delimed. Allow product to penetrate the lime deposits for up to 15 minutes, depending on the amount of lime scale. For best results with heavy scale, scrub the surface every few minutes with a brush that will not damage the surface. Rinse with water.

STEAM CLEANERS: Dilute one part product with 4 to 6 parts of water according to scale accumulation. Circulate the solution until all scale is removed. After cleaning is completed, flush thoroughly with plenty of water.

AIR CONDITIONER: Dilute 1 part solution with 30 parts of water. Operate unit until all scale is removed.

DISH WASHING MACHINES: Dilute 1 part product with 20 parts of water. Run rinse cycle, or flush with plenty of water.

IMPORTANT SAFETY INFORMATION:

WARNING

May be corrosive to metals. Causes skin irritation. Causes serious eye irritation. May cause respiratory irritation.

Avoid breathing vapors. Wear protective gloves, protective clothing, eye protection and face protection. Store in corrosive resistant container with a resistant inner liner. Dispose of contents and container in accordance with local, regional, national and international regulations.

FIRST AID: IF INHALED: Supply fresh air. Provide oxygen treatment if affected person has difficulty breathing. Seek medical attention if symptoms persist.

IF ON SKIN: Immediately remove any clothing soiled by the product. Immediately rinse with water. If skin irritation continues or blistering or open wounds develop, seek immediate medical attention. **IF IN EYES:** Protect unharmed eye. Remove contact lenses if worn. Rinse opened eye for several minutes under running water. If symptoms persist, seek medical attention. **IF SWALLOWED:** Do not induce vomiting; Drink plenty of water and provide fresh air. Seek medical attention immediately. Call a POISON CENTER or physician if you feel unwell.
