

LAUNDRY TERG

Extra Heavy Duty All-Fabric Detergent

The high alkalinity of this product combined with water conditioners, soil suspending agents, and optical brighteners will remove most heavy-duty institutional soils without the use of additional boosters or break cycles. Designed for use in commercial and institutional laundries. This product may be used to launder most white and colorfast fabrics.

PRODUCT INFORMATION:

- Concentrated laundry detergent
- Commercial, extra heavy-duty, all-fabric formula
- Fragrance free

pH > 12.0
Form Liquid
Fragrance Odourless
