

SUPER SHINE

Concentrated Gloss Enhancer

Neutral pH detergent plus gloss enhancer leaves a protective coating on the floor and eliminates the need for waxing, while extending the life of the floors. Excellent high-speed alternative to spray buffing. Floors should be cleaned minimum once a week, or preferable more frequently, to eliminate the need for waxing. Easy to use, just mop the floor with recommended dilution, allow to dry, then dry buff. Works in hot or cold, hard or soft water.
