

FUMELESS

Heavy Duty Alkaline Drain Opener

Industrial strength liquid alkaline drain opener. Removes obstructions caused by grease, hair, soap and other organic matter. For use in all pipes. Safe for use in septic systems when used as directed. Eliminates the disagreeable fumes which are caused by ordinary dry form drain pipe cleaners. Saponifies grease into a soft mass that easily flows through the drains.

PRODUCT INFORMATION:

- Clears drain clogs caused by grease, hair, soap and other organic build-up
- Recommended for use in kitchen and restroom drains
- Safe for use in all pipes and septic systems

pH 13.0 - 14.0
Form Liquid
Fragrance Odourless
Color Colorless
Packaged 12/1 QT Case

DIRECTIONS FOR USE:

Bail out as much standing water as possible. Use 16-32 ounces of product. Pour directly into the drain. Allow to stand 15 minutes, up to 30 minutes. Flush with water. NOTE: Avoid contact with aluminum and chrome surfaces as discoloration and pitting may occur.

Wear protective gloves, protective clothing, eye protection and face protection. Do not breathe vapors. Dispose of contents and container in accordance with local, regional, national and international regulations.

IMPORTANT SAFETY INFORMATION:

DANGER

Contains Sodium Hydroxide and Potassium Hydroxide.
Causes severe skin burns and eye damage.

FIRST AID:

IF ON SKIN (or hair): Remove immediately all contaminated clothing. Rinse skin with water. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. **IF SWALLOWED:** Rinse mouth. Do NOT induce vomiting.
