GREASE OUT

Grease Out treats food-based oil and grease stains on fabrics and can be used as a spotter or pre-spotter to remove tough grease based stains. It is designed to help extend the linen life by improving stain removal between washings. Grease Out can be used on various types of stains such as crayon, motor oil, butter, mechanics grease, oil based food stains, kitchen grease, and salad dressing stains.

PRODUCT INFORMATION:

- Natural orange oil powers through tough grease stains on fabric
- Superior performance on moderate to heavy grease build-up
- Effective for use as a pre-spotter

pH 8.0 - 9.0
Viscosity Liquid
Fragrance Citrus
Color Orange
Packaged 6/1 qt Case

DIRECTIONS FOR USE:

DO NOT MIX WITH OTHER CHEMICALS.

Some individuals may be sensitive to ingredients in this product. Prior to use, fully read this product label and consult the Safety Data Sheet for more information.

CAUTION: Prior to use, always test fabric in a hidden, inconspicuous area for color fastness and compatibility.

Before using as a spotter, attempt to identify the stain, to ensure efficient stain removal. Always wash and rinse fabric thoroughly after spot treatment.

To Spot Fabric: Saturate a clean, white cloth with Grease Out and rub stain vigorously with the wet cloth. Blot treated area on fabric with a separate clean, dry cloth. Repeat as necessary to achieve desired results.

For use as a Pre-Spotter: Spray Grease Out liberally onto suspected stains. Allow treatment to dwell for 5-10 minutes prior to initial machine washing of fabric.

IMPORTANT SAFETY INFORMATION:

WARNING

Causes serious eye irritation. May cause an allergic skin reaction.

Avoid breathing vapors. Wash hands thoroughly after handling. Wear protective gloves, protective clothing, eye protection and face protection. Contaminated work clothing should not be allowed out of the workplace.

FIRST AID: IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. **IF ON SKIN:** Wash with plenty of water. If skin irritation occurs: Get medical attention. Take off contaminated clothing and wash before reuse.

Dispose of contents and container in accordance with local, regional, national and international regulations.
