THIS IS A VERY STRONG PRODUCT

Other items are needed for safe use.

Read entire label prior to using this product.

pH < 1.0
Scent Acidic
Color Red
Packaged 12/1 QT Case

DIRECTIONS FOR USE:

READ ALL LABEL INFORMATION PRIOR TO USING THIS PRODUCT. DO NOT USE WITHOUT PROTECTIVE GEAR.

Use with adequate ventilation. Open windows and use a fan if available (direct fan towards window). Do not breathe vapors. Do not stand over, or look into, the drain (or bowl) while using. Do not pour into standing water. Bail to reduce the water level, down to the drain opening. Remove strainer from drain if possible. Before pouring, place a **plastic bucket or large, deep, plastic container** under the drainpipe to protect from possible leakage. After pouring this product into the drain (or toilet), immediately place inverted dishpan, bucket or other deep plastic container over drain (or bowl) opening, to protect against possible eruption of drain contents and acid.

PRODUCT OPENING INSTRUCTIONS: Put container on a flat stable surface. Carefully remove tamper-evident seal. While gently pushing down, turn the cap counter-clockwise. Do not squeeze bottle. Carefully remove the inner seal.

See chart to determine the amount of product to use. At arms length, slowly pour product directly into the drain opening (See DISCOLORATION WARNING). If drain does not clear, repeat application. Not intended to be left overnight.

ADDITIONAL ITEMS TO HAVE ON HAND: Petroleum jelly, baking soda, and 3 plastic dishpans, buckets or other deep plastic containers.

REQUIRED PERSONAL PROTECTIVE EQUIPMENT: Always use a full-face shield, safety glasses and rubber gloves when handling this product. Failure to use personal protective equipment may result in injury.

FIXTURE	AMOUNT	WAIT TIME	FLUSH DRAIN
TOILET (Step 1)	Pour 2 oz into drain	2 minutes	Do not flush
TOILET (Step 2)	Pour 12-14 oz into drain	15 minutes	Flush toilet 2-3 times
SINK, BATHTUB OR SHOWER	Pour 4-6 oz into drain	15 minutes	5 minutes Use cold water

IMPORTANT SAFETY INFORMATION:

DANGER

Contains Sulfuric acid. Causes severe skin burns and eye damage.

FIRST AID: If medical advice is needed, have product container or label at hand. **IF ON SKIN (OR HAIR):** Remove immediately all contaminated clothing. Rinse skin with water. Wash contaminated clothing before reuse. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. **IF INHALED:** Remove person to fresh air and keep at rest in a position comfortable for breathing. **IF SWALLOWED:** Rinse mouth. Do NOT induce vomiting. Immediately call a POISON CENTER or physician.
